EX PARTE QUAYLE

Claims 1, 3-11, 13-15 and 26-40 are allowed.

This application is in condition for allowance except for presence of claims 16-25 directed to an invention non-elected without traverse in the reply filed on 5/29/06. However, applicants had requested rejoinder of the non-elected subject matter should the elected invention be found allowable. Rejoinder is not being granted at this time because the claims 16-22 are not of the same scope of the allowed claims. Applicant is required to cancel the claims or amend them to be of the same scope as the allowed claims. Please note that claims 23-25 are drawn to a patentably distinct invention not subject to policy of rejoinder. Applicant is required to cancel the noted claims or take other appropriate action (37 CFR 1.144).

Prosecution on the merits is closed in accordance with the practice under Ex parte Quayle, 1935 C.D. 11, 453 O.G. 213.

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.
